

KENNETH CLARKE JOURNAL AWARD

Prize: \$500 AUD

This award honours distinguished College pioneer Kenneth Clarke who served as editor of the Australasian Physical and Engineering Sciences in Medicine Journal for many years.

This prize is awarded annually for the best paper or original work published in *Physical and Engineering Sciences in Medicine (PESM)* by a member of the ACPSEM.

Minimum Criteria

Paper submitted and published in the Australasian Physical and Engineering Sciences in Medicine Journal within the last 12 months.

To Apply

There is no application mechanism for this award.

The Editor of the PESM journal selects nominees and the award is decided by the PESM Journal Editorial Board.
